

## 第五章 作业题3

已知两个二进制数的真值分别为  $X = -1101$ ， $Y = 11$ ，用补码一位除法公式求  $X/Y$ ，给出完整的过程

$$[X_{\text{补}}] = 10011$$

$$[Y_{\text{补}}] = 00011$$

$$[-Y_{\text{补}}] = 11101$$
